

Instructions:

- 1.) Print all 17 pages of this PDF (choose “print to fit” option). You can use plain paper, or cardstock for extra durability
- 2.) Cut dotted lines (for proper overlap)
- 3.) Layout pieces, covering all empty white gaps between track
- 4.) Tape pieces together so that the track looks “seamless”
- 5.) Have a blast racing your favorite cars around the track!
- 6.) When you’re done, just fold the track up to be used later
